

Chillex Champions

The challenge was set down by A.E Smith for a head to head Go-Kart Challenge with the undefended Chillex Racing team which was held down at Hampton Downs.

A big thank you to Gripple for organising and sponsoring this event between the two companies and for putting on a spectacular BBQ afterwards and a few cold ones. Everyone had a great day – especially the Chillex Team as we kicked A.E. Smith butts and won yet again the Go-Kart trophy. Bring it on again next year!!
