d put on a fantastic factory tour for 25 budding apprentices. Apprentices from 7 companies Chillex, Cool Comfort, Economech, Airmark, 1st Mechanical, Thermal Solutions and A.E. Smith Projects congregated at Holyoake's factory last Thursday. Scott Holyoake was there in addition to Ewen and Karl. Everyone was provided afternoon tea, and all the boys got a backpack filled with goodies. What an excellent example of suppliers supporting the industry. Thank you Holyoake Industries.
