

# ANNUAL FISHING TRIP

A group of 13 intrepid Chillex members were given the awesome opportunity to go on a fishing Charter with Ultimate Charters aboard the Koru. The Charter left Westhaven on Saturday 29th of September and the team were taken out to some great fishing spots for the day. There was plenty of cold ales and food, resulting in the group enjoying both the fishing and entertainment. Overall the day was another great way for the team to bond and get to know each other outside of work. Definitely something we would all recommend doing more of in the future. The only pity was the fishing stories were bigger than the fish we caught!!

On behalf of the group we would like to thank Chillex for a great day.
